

EXPAND LOCAL FOODS LOCAL MARKETS

Are you currently selling
your food products locally?
Thinking about
accessing new clients?
Learning about new
profit opportunities?

Here is your invitation to this one-day session for experienced producers to learn about 6 local market channels. You will hear directly from producers selling in these channels what it takes to be successful... THE GOOD, THE BAD AND THE UGLY.

This full day's session covers learning about new profit opportunities, a locally sourced lunch, and networking. FREE but you must register to attend.

**Come join us, we'll
make your day!**
